PREMIER WITTE URGES MODERATE CONSTITUTION

St. Petersburg, Jan. 1.—It is learned from a high source that Premier Witte is again strongly urging the emperor to immediately promulgate a moderate constitution for the double purpose of reassuring the liberals that the present war against the "Reds" does not mean reaction and blocking an attempt, which will undoubtedly be made when the National assembly convenes, to transform that body into a constituent assembly. Moreover, the plan has other backing and the emperor is showing an inclination to accept it. The premier is understood to have informed his majesty that such an act would be a master stroke at the present juncture and might rally the whole body of conservative and liberal opinion to the side of the government.

Mr. Trimmer has The Journal's best wishes and thanks.

MANIFESTO BY CHAMBERLAIN

VIGOROUSLY ATTACKS NEW ENGLISH GOVERNMENT AND TELLS OF HIS FISCAL POLICY.

By Associated Press.
London, Jan. 1.—Joseph Chamberlain issued an election manifesto today. After vigorously attacking the new government, which he describes as essentially "A home rule little Englander government, depending for its existence on Irish votes," he devotes himself entirely to the exposition of his fiscal policy and especially to the subject of colonial preference which he speaks of as the first item in the constructive program of the unionist party. The second item is closely connected with the first, being the policy of retaliation.

BUSINESS MEN APPROVE JOURNAL'S NEW RATE CARD

The response which The Journal is receiving to its new Advertising Rate Card is very gratifying indeed. On all sides, advertisers agree that the rate in rates was to be expected and is perfectly in keeping with the service which The Journal is now giving.

One of the most agreeable responses came from that enterprising business man, Sol Cahn. Mr. Cahn is not only continuing his advertisement under the new rate, but he is increasing his space by one-third, and in today's advertisement he has a very interesting address to the public.

LAUDANUM AND GAS

Swallowed Vial of Poison and Attempted Asphyxiation.

EXHIBITED ROLL OF BILLS AND LARGE AMOUNT OF JEWELRY WHEN ARRAIGNED IN POLICE COURT—DAUGHTER OF FORMER POLICE PREFECT COMMITTED TO HOME.

By Associated Press.
New York, Jan. 1.—The daughter of a former Prefect of Police in Warsaw, Russian Poland, from which city she was banished by order of her father's successor for inciting a revolution in the private school where she was being educated, a runaway from school at Berlin, where she was sent by her mother and finally a would-be suicide in New York, seventeen year old Cecilia Antonia today was sent to the home for wayward girls.

The young woman told her story in the police court today and at the same time exhibited a roll of bills containing more than four hundred dollars, the remainder of a remittance sent to her by her mother before she left Berlin, and a large quantity of jewelry, apparently of great value.

She had been arrested after drinking laudanum and turning on the gas in her apartments in a down town hotel. She told the police magistrate the desire to kill herself was a sudden and irresistible impulse. She sent out for a vial of laudanum, for imaginary toothache, drank the poison and turned on the gas. A maid detected the odor of escaping gas in the halls and called the clerk's attention, who broke down the door to the room.

Dr. W. R. Pettiford, of Birmingham, was orator of the day and delivered the principal address to the colored people. C. F. Call and several others were among those who delivered short addresses.

The celebration was largely attended, as well as the addresses delivered in the church.

AMBITIOUS TO GIVE CITY A CLEAN, EFFICIENT AND HONEST GOVERNMENT—THIS THE LAST PUBLIC OFFICE WHICH HE WILL PROBABLY FILL.

By Associated Press.
New York, Jan. 1.—Mayor Geo. B. McClellan today began his second term as mayor of New York, this time for four years. QUARANTINE IS DECLARED OFF

AND PORT PHYSICIAN WHITE AND HIS ASSISTANTS RETURN TO THE CITY.

The closed quarantine season for the port of Pensacola has at last been declared off, and Dr. White, the port physician and his assistants have returned from the quarantine station where they have been for about eight months or more.

The season came to a close Saturday night, when all those who could be spared from the station came to the city, and hereafter all vessels will be boarded from the city, and only sent to the station where ballast of an objectionable nature is found or where sickness is on board.

It has been the custom in former years to declare the season open about November 1st, but this year it seems as though the Marine Hospital Service forgot about Pensacola, and did not take any steps in the matter until communicated with by Secretary Jones of the Chamber of Commerce and even then several weeks elapsed before action was taken.

SALVATION ARMY CHRISTMAS TREE

LARGE NUMBER OF LITTLE ONES MADE HAPPY BY EVENT OF LAST NIGHT.

The Christmas tree given by the Salvation Army to the poor children of the city last night at the Army hall was a decided success and reflects great credit upon the officers in charge of the local post. Captain Richard Norris.

Over a hundred little ones and their parents were crowded into the hall when the entertainment began. The tree was lighted up shortly after seven o'clock and at 7:45 Capt. Norris offered prayer, following this with an eloquent expression of thanks to the people whose liberality had made the tree possible. Two of the Salvation Army Sunday school children sang a very pretty and appropriate duet, after which the presents were distributed by a real, live Santa Claus, whose appearance was greeted with applause and laughter.

Every child in the audience whose name had been handed in, received a present of some kind, and without exception all received a bag of candy, fruit and nuts. Their happy faces at the presents and goodies were handed to them more than repaid the trouble of preparing the entertainment.

A NEW HALL IS BOUGHT BY I. O. O. F.

Gymnasium of the Pensacola Athletic Club is Secured by Odd Fellows.

The local lodge of Odd Fellows have just closed a deal for the property owned by the Pensacola Athletic Club as a gymnasium on West Hill. This place will be fitted out for a meeting and lodge room and will be used instead of the present hall on Garden street.

The Rafford hall on West Garden street, which was erected only a few years since by the Odd Fellows, has been sold to parties in the city through the Pensacola Investment Company, the lodge receiving a handsome sum for the property which is centrally located and very valuable. It is understood that the new owners will not make any charges in the near future, but may do so later.

The property of the Pensacola Athletic Club was purchased at a reasonable figure, but will have to be remodeled throughout. It is the intention to almost completely change the style of building, and the interior will present an entirely different aspect and will make a most comfortable and convenient home for the Odd Fellows when it is completed.
